THE JOINT CHIEFS OF STAFF

WASHINGTON 25, D. C.  
7 April 1949

MEMORANDUM FOR: Mr. Merritt K. RUDDOCK  
Acting Deputy Assistant Director for  
Policy Coordination

Subject: Report by Dr. Hilger

1. Your request of 16 February 1949 for a 100-page handwritten report by Dr. Gustav Hilger was transmitted to the I.D. At the same time a personal inquiry was made through Mr. Zander.

2. A routine search of Zander's personal file and the official I.D. files has failed to locate the document. It can be assumed that the report by Hilger has found its way into some personal file that a routine check would fail to disclose. No further action is contemplated by this office.
